FASHION IQ

GENIUS LOOKS & LOOT FROM OUR STYLE BLOGGER. BY HEATHER DUNHILL.

TAKE A NOTE

Followers of French fashion blogger **Garance Doré** love her striking sartorial drawings. Someone clever decided they would make fabulous stationery... and they do! A stylishly practical (but not too practical) gift to yourself or someone else. **WRITE ON SARASOTA**, \$9.95-\$16.95

TOP TOTE

From Coach's hot new creative director, Stuart Vevers, a cross-body bag in leather, shearling and nubuck, \$1,300.

ELIE SAAB

Ever noticed how Charlize Theron's face glows in her photos? Yours can, too, with Dior Pore Minimizer Primer and Dior Glow Maximizer Primer. Apply the minimizer to the T-Zone and the maximizer to your cheekbones and the perimeter of the face. This primer cocktail corrects imperfections, refines texture and radiantly reflects the light. **SAKS**, \$42 each

“There’s nothing interesting about looking perfect—you lose the point. You want what you’re wearing to say something about you, about who you are.” – EMMA WATSON

INVESTMENT QUALITY

If there's one piece that merits an investment this season, it's the **JUMPSUIT**. It has the fashion clout to take you from the boardroom to committee meeting to date night. Elie Saab gives us a simple yet sexy shape in one of the hottest hues of the season—plum berry.

Look for more variations at local stores, including **THE MET**, **BOHEMIAN BLISS** and **L.BOUTIQUE**
